CONTRIBUTION

I have read and understood the conditions in the Club Super Product Disclosure Statement (PDS) about voluntary contributions. I declare that the information in this form is true and correct to the best of my knowledge and belief, and I understand that:

- limits apply to the amount of 'non-concessional' contributions that I can make each year^;
- voluntary contributions are preserved until my retirement after my 'preservation age';
- if I am eligible and I claim a tax deduction for these contributions, the contribution will not qualify for the Federal Government's co-contribution*;
- earnings on my account are not guaranteed by the Trustee of Club Super and may be positive or negative;
- I must satisfy one of the following criteria to be eligible to make voluntary contributions (cross relevant box):

☐ I am under age 65;

☐ I am 65 or over, but under 75, and have worked at least 40 hours in a continuous 30 day period in the current financial year.

^Please note that limits apply to the amount of 'non-concessional contributions' you may make (which includes voluntary contributions you make on an after tax basis). The limit is currently $150,000 per financial year. However, members under 65 may bring forward two years worth of contributions ($450,000 in total). Please refer to the Product Disclosure Statement (PDS) available on www.clubsuper.com.au for further details.

*If you are self-employed, you can claim a full tax deduction for the contributions you make to the Fund. Refer to the Product Disclosure Statement (PDS) for further information, including the limits that apply to 'concessional contributions' (which includes contributions you claim a tax deduction for). If you are eligible and wish to claim a tax deduction, please complete the "Notice of intent to claim a tax deduction for Personal super contributions" form, available on www.clubsuper.com.au or call 1300 369 330.

I wish to make a voluntary contribution for the amount of $ .00
